## PROFILE

I am a passionate web developer and graphics designer with a keen eye for aesthetics and functional. With experience in crafting visually appealing and user-friendly website, I specialized in front-end and back-end development, ensuring seamless digital experiences.

As a graphics designer, I bring creativity to life through compelling visuals, branding, and UI/UX designs that elevate user engagement. My expertise spans across modern web technologies, responsive design, and dynamic branding solutions.

I thrive on Innovation, problem-solving, and delivering high-quality designs and web solutions that aligns with clients' visions and industry trends.
